

Copy Reports, Email Campaigns and Share Links When Copying Your Survey

Did you know when [copying your survey](#) you can also select to copy the reports, email campaigns, share links, and/or the [anonymous setting](#) along with the survey? This option will save all the settings on your reports, email campaigns, and share links so that you do not have to re-create them!

1. Simply click the **Copy** icon on the right hand side of your survey on the [Home Page](#).
2. Rename your survey in the first field if you wish.
3. Next, select the **Copy Reports**, **Copy Email Campaigns**, **Copy Links**, or **Make Survey Anonymous*** options in the create survey pop-up and click **Start Building!**

**If your account has been configured to [force all surveys to be anonymous](#), this option will not be available on an individual survey basis.*

The screenshot shows a 'Create Survey' pop-up form. On the left, there is a teal sidebar with four options: 'Blank Survey', 'Use a Template', 'Copy a Survey', and 'Import from Word'. The 'Copy a Survey' option is selected. Below the sidebar is a 'Pro Tip!' section with the text 'If you need some help, watch the getting started video.' and a 'Watch Now' link. The main form area contains the following fields and options:

- 'What would you like to name this Survey?' with a text input field containing 'Customer Feedback'.
- 'What project would you like to copy?' with a search input field containing 'Customer Feedback' and a magnifying glass icon.
- A section with four checked checkboxes: 'Copy Reports', 'Copy Email Campaigns', 'Copy Links', and 'Make Survey Anonymous'. This section is highlighted with a red border.
- 'Choose a team' with a dropdown menu showing 'Team 1'.
- At the bottom, there are two buttons: 'Never Mind' and 'Start Building'.

If you are looking to copy an Email Campaign within the same survey, visit the [Copy an Email Campaign Within a Survey](#) article.
