

Standard Report: Response Table

Include Individual Responses in the Standard Report

Sometimes the individual responses are as important to understanding your data as the summarized/aggregated data.

1. Use the **Insert** button located between any two report elements to include a grid of your Individual Responses. Select **Response Table** from the available options.

2. After selecting this option a table of Individual Responses will be added to your report. Here you will see a list of your responses.

ID	Status	Date	
1	Complete	Sep 27, 2017 5:29 PM	View
2	Complete	Nov 13, 2017 5:34 PM	View
3	Complete	Nov 13, 2017 5:34 PM	View
4	Complete	Nov 13, 2017 5:34 PM	View
5	Complete	Nov 13, 2017 5:34 PM	View
6	Complete	Nov 13, 2017 5:34 PM	View

Sort by Column

Your Response Grid can be sorted by the default column headers of **ID**, **Status**, and **Date**. To sort by one of these column headers, click directly on the column header. Click on the column header a second time to sort in the opposite direction.
